Business Presentation

EDG
GO-KART CHAMP

Registration Fees:

Design Presentation = INR 1200

Business Presentation = INR 900

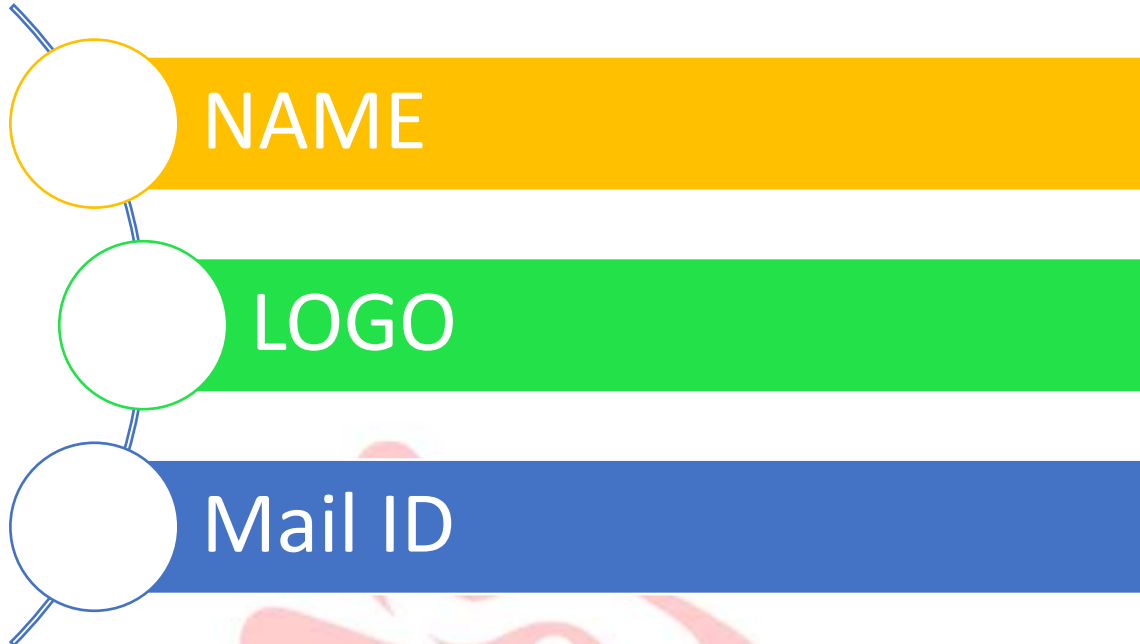

COMPETITION OBJECTIVE

- It is an intercollegiate competition for diploma and undergraduate engineering students
- Purpose of the event is to provide a better platform for student to showcase their knowledge and skill. This will refine their concepts and ideas.
- This will help student for research and development career in automotive industry include design and validating ideas for vehicle along with its simple to complex parts
- Vehicle must be safe and ergonomically designed
- Each design will be judged and evaluated against other competing design to determine the best overall car

Team Registration

Team must have official ...

Requirement

Each team should consist of ...

minimum 2 and maximum 6 members

with 1 or 2 faculty advisors

team should provide name ,email id mobile numbers of everyone.

PRESENTATION RULES AND REQUIREMENT

- Group members for presentation should be in between 2 to 4

Design Presentation

Presentation size is up to 20 pages

Each part design & analysis should be included

Image should be clear

Additional reference are allowed

Business Presentation

➤ Market analysis

➤ Product and cost

➤ Sales strategy

➤ Brake even analysis

➤ Transport facility

➤ Cost distribution

➤ Man power required

➤ Plant layout

➤ Resources of material

Prizes

Prizes	Design presentation	Business presentation
1 st	4 k	3k
2 nd	2.5k	1.5k
3 rd	1.5k	1k
